

PRODUCT DATA SHEET

ARtech Packaging lubricants **MP-50**

Anti-Seize Compound Petro – Moly
National Stock Number: NSN 8030.00.087.8630 (1lb can)

PRODUCT DESCRIPTION

ARtech **MP-50** is a specialized anti-seize compound manufactured to Military Specifications (MIL-T-83483B). Compound is specifically formulated to prevent seizing of metal to metal surfaces of aircraft engine spark plugs as well as all threaded components. ARtech **MP-50** provides metal surface corrosion protection from low -55°C (-65°F) to high 425°C (800° F)

	Features	Benefits
Performance	Excellent Coverage	Formulation allows for easy application and through coating. NOTE – Do not apply excessively.
	Torque Protection	Reduces torque effort during disassembly of components. Allows for reuse of components.
	Safe	Lead Free.
Work Environment	High Low Temperature Range	Blended to excel in a wide temperature band width..
	Water - Moisture	Hydrophobic, prevents moisture incursion and when coated properly prevents surface rust.

OTHER PACKAGING SIZES ALSO AVAILABLE:

* 2 OZ TUBE

* 14 OZ CARTRIDGE

* 2 lb can

* 5 lb can
